Rev. 6 covers an unidentified period of time which includes the Great Tribulation period but which may or may not include the period of the Time of Sorrows. The 1<sup>st</sup> Seal has already begun. Rev. 13 & 14 also address specific details concerning events and movements which will transpire during the reign of the antichrist (1<sup>st</sup> beast of Rev. 13) and his false prophet (2<sup>nd</sup> beast of Rev. 13) – most likely taking place, in part, during the 5<sup>th</sup> Seal when great tribulation against "their fellow servants and their brethren, who would be killed as there were ..." (Rev. 6:11c) unfolds. (Rev. 7 goes on to describe these great tribulation Saints..)

During the tribulation period, difficult days increase. As it becomes more and more clear the man of diplomacy is indeed the man of lawlessness—in part, due to his requiring the world to yield to his program, which will include additional efforts to further merge religious ideologies into a general spirituality whereby (they say) global peace can be secured—God's people will speak out, exposing the antichrist for who he really is. This will bring on an all-out war against the Saints, including a period of great tribulation. But God delivers, eventually setting up His eternal kingdom!
